Respected Well-wisher,

We have launched guideforcouples.com to help couples in enjoying their married life.

In the era of ChatGPT and AI, experience and advice of medical professional cannot be overlooked.

Information compiled and presented in the portal is result of over 30 years of research, and interaction with Psychiatrists, Psychologists, Family Practitioners and Marriage Counselors.

We wish to make this facility open to persons across the globe in the larger interest of humanity and social well-being.

We are looking for Sponsorship to help us reach millions of couples in this endeavor.

Kindly communicate with us through contact@guideforcouples.com for further information and discussions.
